## Planning Your Move

- Your move must take place on or before **June 30, 2015** in order to qualify for the move-in special.
- Your Crestwood Village Leasing Counselor will work closely with you to schedule your move to Crestwood Village. He or she will set a specific moving date/time for you and will schedule that date/time with Here to There Movers. It is important that you do your best to stay on schedule and **keep your specific moving date once it is set.**
- Before your move, carefully consider your new apartment home and how your furniture may be arranged within each room. Once you've planned your new space it's time to sort through the remaining things and decide what you want to keep, sell, gift or donate. Getting rid of non-essentials can be a great relief and make for a much easier move.

## Moving Day

- Your FREE professional moving services include: packing, moving and unpacking, plus the use of packing materials
- Here to There Movers will provide up to **10 hours of moving services** with a truck and a two-man crew, which is paid for by Crestwood Village. Any hours of moving services after the initial 10 hours will be charged to you. Here to There Movers will provide an estimate for any additional fees at a discounted rate of \$50/hour, nearly a 50% off the regular \$95/hour rate charged. You may choose whether to extend the services at your own cost, or you may choose to end the services at 10 hours and complete the move on your own without Here to There Movers assistance.
- Here to There Movers will move you to your new home at Crestwood Village, from anywhere within the nine counties that make up greater Indianapolis. If you live outside of the greater Indianapolis area, there will be a fee of \$50 for fuel and labor expense.
